# WORLD'S MOST CREATIVE

For over 20 years, Limkokwing University has been championing Creativity and Innovation as the two most important skills of the future. From inception, it has been the heartbeat of our DNA. Our commitment to talent development has enabled our students to do internships with some of the world's most famous and innovative global brands like Apple, Microsoft so they stand out from the rest.

## 200 international awards for creativity & innovation

Our creative and innovative ecosystem has been recognised with global awards from top businesses and academia from the US, UK and Asia. We have been officially recognised as University of Transformation, University of Innovation and Malaysia's University of Edu-Tourism by the Government of Malaysia. In 2013, the UK-based QS World Rankings named Limkokwing the University of the Future.

## 2nd on Twitter, 5th on Facebook

On Twitter, we are the 2nd most popular, while we have made it to 5th spot on Facebook beating foreign universities such as Cambridge and the New York Film Academy. Our website - designed and maintained by alumni - consistently gets over 280 million hits from 229 countries and territories yearly, making this one the most popular websites in the world.

## The world in one place

We have 30,000 students from 165 countries studying at our 13 campuses in Asia, the UK and Africa, making this truly a global campus. Students can do a portion of their studies at any of our other branch campuses for international work experience. The connections they make - learning and collaborating with their peers - will be priceless for future career and business opportunities for them.
